An order was then issued fixing the date of execution for Oct. 4.

Judge Murphy holds that the first order fixing the execution for Aug. 10 was good after the reprieve expired, and accordingly found the Sheriff guilty of contempt for not obeying it.

JACESONVILLE, Fla., Sept. 14.—A young man named James II. Meadows had been missing from home, near Houston, Fla., since Saturday night. Yesterday his body was found in the woods about a mile from that village. Meadows was last seen alive in company with two neighbors, who called him from his bod late Saturday night. The verdict of the Coroner's jury charges them with the crime. They have been arrested. There is great excitement, and extra guards have been placed around the jail at live Oak, where the prisoners are confined.
